To whomever it may concern,

We are writing to express our continued interest in the 'Anacapa' private railcar presently held by the Galveston Railroad Museum.

We would like to tender an offer of \$27,500.00 contingent upon an inspection of the railcar by Raymond Clauss of Star Trak, Inc., with a \$5,000.00 deposit upon a satisfactory contract, and request a five-month due diligence period for the inspection due to the present COVID-19 global pandemic. We are eager to work with the museum and move forward with this.
