Re: Conditional Offer for Ozark Mountain Railcar Locomotive, Listing #19891442

Dear Mr. Suscheck,

The City of Allen, Collin County, Texas, having conducted an onsite review of the Lake Superior & Ishpeming Railroad 2-8-0 steam locomotive, OMR Listing #19891442, and determined its interest in purchasing such, herewith submits this conditional offer of \$55,000.00 (fifty-five thousand dollars and no/100 cents) for said locomotive. This offer is based on the condition that several key/primary parts are positively identified. These are:

1. Smokebox front/door
2. Main rods, side rods, valve gear, piston rods and crossheads
3. Pilot

We hope this offer is acceptable to the owner and look forward to a positive response.

Sincerely,

E. Brian Bristow
Assistant Director of Parks and Recreation
